

Camp Westminster

on Higgins Lake

Spring Work Weekend

May 4-6, 2007

Calling all Volunteers!

An early start is needed this year to get Camp Westminster cleaned up, fixed up, and set up! So dig out your work clothes, stretch out those muscles, and come on up north!

YOU are needed to help make sure the facilities are ready to welcome a new season of campers!

Camp Westminster provides the meals, lodging and necessary equipment; you provide the willingness to help! Bring a sleeping bag, pillow, and your personal items. Arrive at camp after supper on Friday, and stay thru Sunday lunch.

Call the camp office 313-341-8969
or email info@campwestminster.com to let us know you're coming!
